

How to Borrow & Download eBooks & Audiobooks for your Kobo Vox

- To get started, you will need a CBRL library card and a wireless Internet connection.

Step 1: Download & Install OverDrive® Media Console™

- Select the **Home** button  below the screen, then select the **Menu** button  below the screen and tap **Settings**
- Tap **Applications**
- Make sure the checkbox next to “Unknown sources: Allow installation of non-Market applications” is checked
- Select **Home**  and tap **All Apps > Browser**
- In the Browser’s address bar, type in this url: <http://www.overdrive.com/software/omc/Android/EULA.aspx>
- Scroll down and select **I Agree** to accept the terms of the license agreement
- After the download is complete, select **Home**  then click **Menu**  and tap **Notifications**
- Tap the OverDrive download file (**ODMediaConsoleSetup.apk**) and select **Install**
- When the installation is complete, select **Open** to start using OverDrive Media Console
- OverDrive Media Console should now be installed under **All Apps**

Step 2: Authorize OverDrive® Media Console™ with an Adobe® ID

- The first time you open OverDrive Media Console, you will be prompted to authorize your Kobo Vox by entering an Adobe ID
- If you already have an Adobe ID, select **Settings** and enter your Adobe ID and password
- If you do not have an Adobe ID, select **Register at Adobe.com**, then follow the instructions to sign up for an Adobe ID
- Open OverDrive Media Console and press the **Menu** button , then select **App Settings**
- Under the **eBook Options** heading, enter your new Adobe ID and password and then select **Authorize**

Step 3: Download Titles from the Library

- Open the OverDrive Media Console app
- Select **Menu**  > **Get Books > Add a Library**
 - In the text box, type in *Cape Breton Regional Library* and select **Search**
 - To log in, enter your library card barcode number and PIN (the last 4 digits of your phone number)
 - Browse and search for titles on the library’s OverDrive website, then check out, download, and enjoy!

FYI:

- You may have up to ten eBooks and/or audiobooks checked out at the same time
- The eBooks and audiobooks you check out will automatically expire on the due date, so there’s no need to worry about late fines. You may also return eBooks early by following the steps below:
 - Open OverDrive Media Console. On the Library screen, tap and hold the eBook you want to return.
 - Select **Delete** to display the return optionsTap **Return then Delete** to remove the eBook from your OverDrive account and delete it from your Vox
